

Lucius Malfoy

Wand Paper Model

1:1 Scale

INSTRUCTIONS:

1. Print the template on card stock or heavy paper.
2. Cut out the parts with an exacto type blade or scissors.
3. Assemble the parts with a "tacky" type glue such as Aleene's brand.
4. White gluing tabs should all be folded with a "mountain" fold.
5. Gently spindle the shaft pieces of the wand before assembling.
6. Assemble the wand starting with part "A", then "B", etc
7. Parts "A", "E" and "I" are glued to the wand without tabs.
8. Part "D" is concealed inside part "E"
