

Forearm 1-5

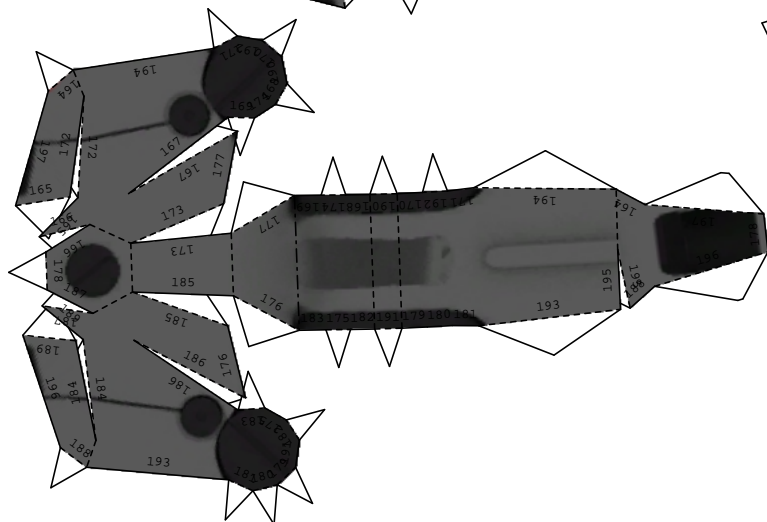

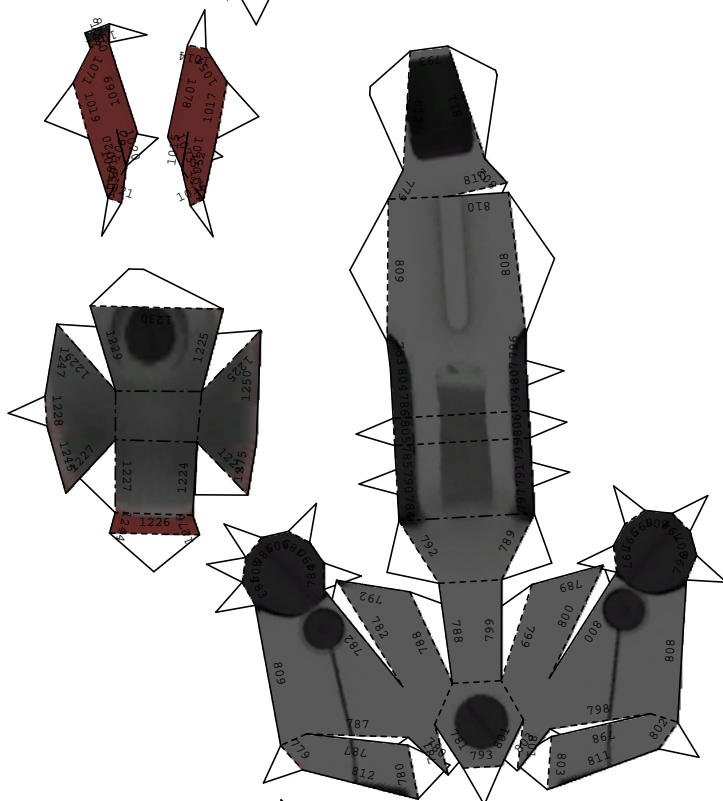

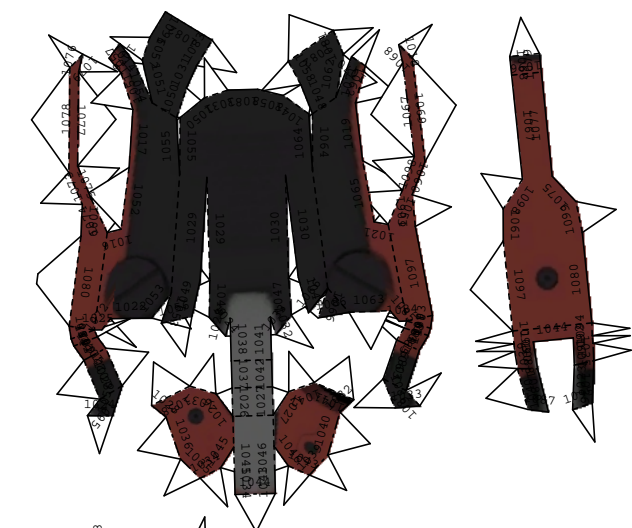

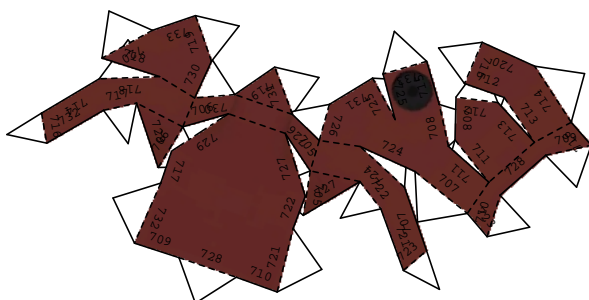

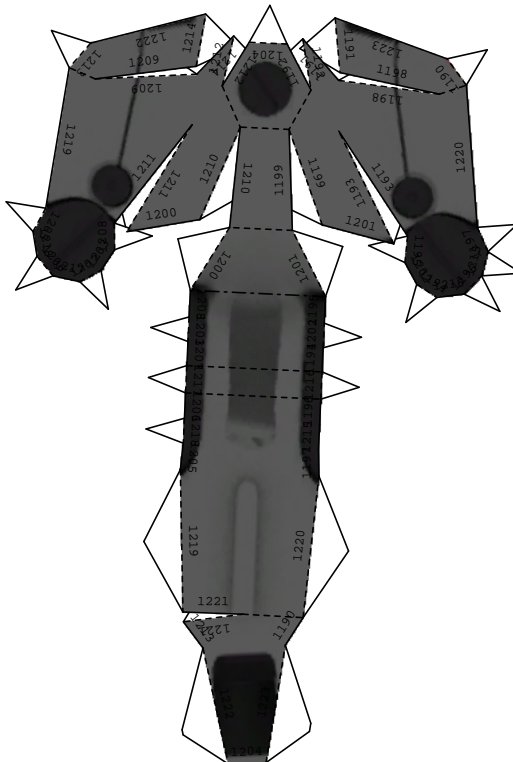

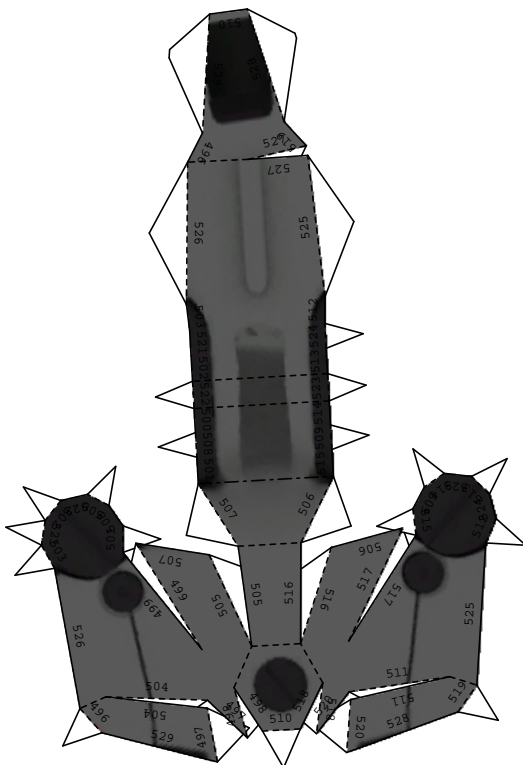

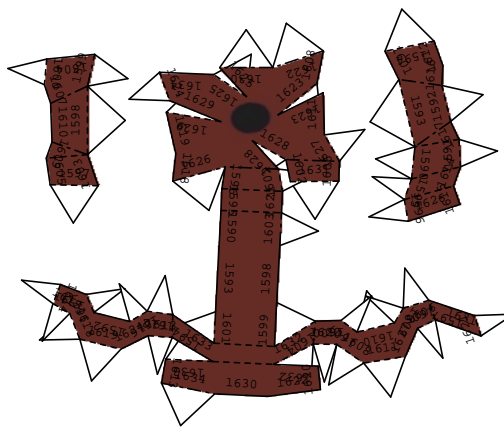

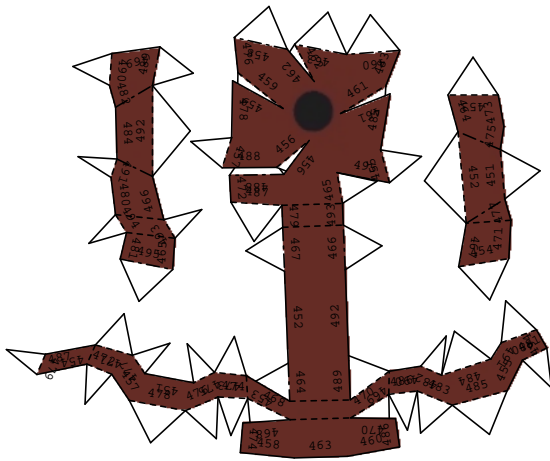

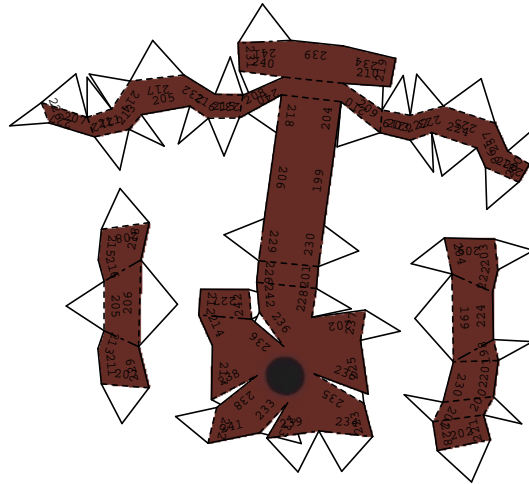

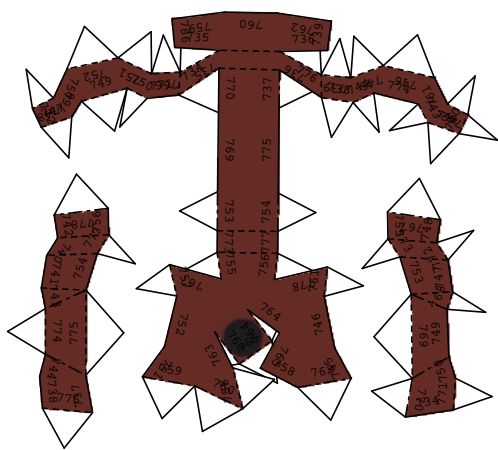

Wrist Joint and Hand 6-7

Thumb 7-8

This image displays a collection of 10 paper models for 'Middle Sections 10'. Each model is a complex geometric shape, primarily composed of triangles and rectangles, with dashed lines indicating fold lines and numbers indicating dimensions or assembly steps. The models are arranged in a grid-like fashion, with some models having multiple identical pieces (e.g., two identical pieces for each of the four models in the top row). The models are designed to be assembled into a larger structure, likely a model of a building or a decorative object.
